The screenshot shows a user interface for a registration system. At the top, there is a header with the user's name 'Denise Blacklaw' and options for 'Dashboard', 'Settings', and 'Logout'. On the right, there is a 'My Progress' indicator showing 100% completion. Below the header is a red banner with a gear icon and text stating: 'This system is currently in development mode and is to be used only for testing purposes. If you wish to register to this project please contact us and we will notify you when the system is active.' The main content area is titled 'Dashboard' and contains a dashed box with instructions: 'This is your Dashboard. It provides an overview of your entire account. Click **Add Family Member** to create a profile and make selections. Each attendee requires a separate profile and payment. Use the **progress bar** to track progress, view or navigate to other forms.' Below this, there is a section for 'Family Member Profile(s)' with a blue button labeled 'ADD FAMILY MEMBER PROFILE'. A large orange arrow points from the text on the left to this button.

Progress through the pages and enter your information. Click the button “Go to Next Step” at the end of each page. A red circle  indicates a mandatory field.

Pages will include:

- Choose a Club
- Choose a project/s
- Medical
- Code of Conduct
- Waivers (photo, horse, shooting sports)
